Your LONG GUNS are Under Attack NOW!

Maryland lawmakers are not just after your guns, they are after **YOU**, the law-abiding gun owner. The Maryland General Assembly is **criminalizing** legal activities:

- Have any AR-15s purchased after Oct. 2013? – **PRISON**
- Purchase a long gun without a license? – **PRISON**
- Leave your spouse access to your firearm? – **PRISON**
- Have any homemade firearms? – **PRISON**

How YOU Can Help:

- Meet with your legislators: www.mdelect.net
- Show up to testify in Annapolis on Feb 25th and Feb 27th
- Join us: www.marylandshallissue.org
- Donate to our Litigation Fund

For years Maryland Shall Issue has fought the Maryland gun grabbers. First we fight them in Annapolis, then we take it to the courts. We are currently litigating multiple lawsuits. We need your help!
